

These Prayer crosses are available for distribution to parish members that have been hospitalized, are undergoing medical treatment, have become homebound, moved to a care center or entered hospice care. The crosses are handmade and have been blessed by Father Jack and we hope can bring comfort and encouragement to those they reach. Contact any member of the Social Justice commission for more information if you have a recommendation.

We also have available copies of the “Sit With Me” Rosary CD that features Deacons and their wives praying the rosary with Archbishop Jerome Hanus in hopes it will bring comfort to many.
