

# Saint Isidore Catholic Church

Federal ID No. 42-1061041

**Growing Faith, Family, and Friendship since 1961**

Dear Parish Member,

July 2021

As we all know Covid-19 is on a downward trend, however, decisions had to be made whether to make plans for our Parish Festival, or is the risk too great at this time? Planning for the Parish Festival normally begins mid-May and at that time a decision was made to not have a Parish Festival again this year and to have our "NO-FESTIVAL FESTIVAL" once again.

This is our only fund raiser and as we all know, it takes a lot of revenue to maintain the church from outside maintenance, indoor maintenance, utilities, supplies, wages, and unexpected miscellaneous costs. So once again the Festival Committee is asking for your financial support to replace the in-person event. No more monthly Festival meetings! No sign-up sheets required! No 12-hour workday! No prepping food, pies for the festival dinner and/or for the Country Store! No set-up crew and no clean-up/take-down crews needed!

In support of the annual Festival, in addition to the 350-400 people who come for the meal, our parishioner's financial contribution has a big impact on the bottom line. Here is an example of what the average family might spend:

Raffle tickets	\$ 50
Dinner tickets	\$ 25
Country Store donation	\$ 25
Country Store purchase	\$ 25
Auction donation	\$ 50
Auction purchase	\$ 150
Value of salad or dessert	\$ 10
<b>Total</b>	<b>\$ 335</b>

This is only an example as some may spend more and some may spend less. The committee is asking that your donation would be at least what you normally would spend for the festival, or comparable to what you donated to last year's fundraiser. If you were unable to participate in the past, this could be the year!

With the support of our Finance Council, the Pastoral Council and Father Andrew, **our goal is \$15,000** as we normally net approximately \$16,000. **These revenues generated by all the various Festival activities are an essential part of our annual operating budget for the parish!**

You will find enclosed a special envelope for your use in contributing to this event. You can mail it back or drop it in the collection basket when you come to Mass. **Please mark your check as "Festival" so that we can track these donations. We would like to have all donations turned in by Sept. 15<sup>th</sup>.** *Thank you for your support!*
